

Time for Singing
©Martin Browne

Capo III **G**
3 November 2002

G C D G
If you'd just let me take your hand, show you life is better than
C G Am7 D
How it seems to be for you in these black days of yours
G C D G
Somewhere there's a shaft of light to pierce the cloak of endless night
C G Am7 D G
It's time for smiling, time for laughing, time for singing songs

Sometimes it's hard to understand why some get dealt the winning hand
While others only seem to get the worst that fate throws down
But you have friends to see you through, what you give comes back to you
It's time for smiling, time for laughing, time for singing songs

Fmaj7 G Fmaj7 G
A storm blows in but then the dark clouds pass
Fmaj7 G Am7 D
Life continues as before, the darkness couldn't last
Fmaj7 G Fmaj7 G
The tree that bends its back against the wind
Fmaj7 G Am7 D
Grows roots much stronger than before, stands tall once again.

If only I could steal your pain and lock it where it might remain
Forever hidden from your mind, never to return
Rest assured you know that I'll do all I can to see you smile
It's time for smiling, time for laughing, time for singing songs

Friends may come and friends may go but if what you reap is what you sow
Your store is full to overflowing, its time to take your share
Some day soon the tide will turn, you'll receive just what you've earned
It's time for smiling, time for laughing, time for singing songs
